- Patio conversation sets & sofas
- Umbrellas and tents
- Receptacles
- And even Bicycle Racks!

One complete program. Many proven services:

- Space Planning & Project management
- Delivery & Installation
- Reconfiguration
- Cleaning, Repairs, Furniture Protection
- Disinfection Services
- Move Management and Decommissioning

At Staples®, we realize your clubhouse is more than just a random collection of furniture. A well-designed space can have a big impact. It creates a positive environment for employees and members.

Even if that space is outdoors.

Employee and member health and well-being start with spaces created with them in mind. Make the most of your outdoor spaces with your Staples program. From mobile options for special events to longer term designed spaces, our furniture experts take time to understand your office workflow and tailor a solution specifically for your business — from project inception to completion.
