

# Your 2017 VGM Club EOP Guide

Thank you for downloading the VGM Club 2017 EOP guide. Below you will find a comprehensive list of solutions that will help your club navigate the early order season.

Your membership grants you **access to exclusive discounts and credit rebate opportunities** when you purchase from our partners. Stack this on top of the additional benefits offered by approved VGM Club Fertilizer & Chemical Program distributors to stretch your budget further.

VGM Club offers a **credit rebate** to members who purchase qualifying Nufarm products. Nufarm offers herbicides, insecticides, fungicides and plant growth regulators.

Additional discount off Standard Golf during September – October. Call 855-490-7704 or Email [agorders@vgm.com](mailto:agorders@vgm.com) to place an order or request a quote.

VGM Club members automatically qualify for gold level pricing on parts from Stens. Over 7,000 replacement parts are available to you with a Stens account.

Solar powered, subsurface aeration system that provides a grid-free solution to keep golf course ponds beautiful. **VGM Club members receive a rebate on Pondhawk units.**

Subsurface aeration and moisture removal systems to maintain optimum growing conditions and healthy green grass. **VGM Club members receive a discount on SubAir units.**

Provide optimal airflow on the surface of golf course greens. Improves air circulation and alleviates heat stress. **VGM Club members receive a discount on TurfBreeze fans.**
