- ◆ Yes, where available.

What are the delivery requirements?

- ◆ Delivery for orders over \$300, and within 25 miles of a Leslie's Commercial Service Center (see URL for list of centers) <https://lesliespool.com/commercial-services.html>. Items excluded from delivery are salt, sand, diatomaceous earth, and/or special order items.

What credit terms will be extended?

- ◆ Payment terms are net thirty (30) days from date of invoice for all products and date the work was performed for all services

Leslie's Pro:

Whether a business is in need of pool care or treatment of large-scale bodies of water, our team is here as the total water care solution. Leslie's Pro team offers businesses a one-touch national solution for healthy, clean, and safe water. Our trusted advisors partner with your group to learn your business and provide consultative services to take care of your water needs.

We can help if your team is discussing:

- ◆ Guest safety
- ◆ Labor challenges
- ◆ Consistency in supply and cost
- ◆ Education on water care
