Time management efficiency

Everything we do at Pukka revolves around simplifying the headwear buying process with flawless execution. When you work with Pukka, you get to create an assortment that is custom to your retail needs. Within a 48 unit order, you can build 4 completely different looks by incorporating 4 different fabrics and 4 different color combinations. Your Pukka order then comes with on-time delivery and an invoice that immediately follows. You're never waiting for a backorder, you're able to put your order onto the retail floor the day that it arrives to your shop. Pukka allows your team to execute in a timely and efficient manner, with shop ready product, each and every time you order with Pukka.
