# Inspirations

Inspiration can come from anywhere. The Wasserstrom team of product and marketing specialists are continually inspired by trends in wedding styles, decor and more. We chose the products in this brochure to reflect three wedding trends: Signature Touches, Tasteful Interactions, and Secrets & Surprises. Look for the inspiration callouts throughout this brochure.

## Signature Touches

Signature Touches

It is all about heartwarming gestures, signature touches, mood lighting, and capturing memories.

**Vintage Glam is modernized...** dance floors are back, banquet chairs are upgraded, and custom ice carvings are adding elegant style.

**Luxury and Opulence** go hand in hand with caviar tastings. Modern tastings are colorful, organic and exquisitely styled in glass stands with metallic accents.

**Metallic Accents** continue to dazzle in 2024. From display to serving, lighting to edible leaf, metallic accents add a touch of luxury and sophistication to any wedding or event.

**Rustic Elegance** embraces the natural beauty of the outdoors with natural woods, marble, and concrete finishes.

## Tasteful Interactions

Tasteful Interactions

Bringing guests together in a fun, creative way, creates a festive ambiance.

**Personal, Meaningful, and Interactive** are features couples can consider when selecting action stations for their reception. Popular interactive stations range from butter boards, create your own late night snacks with a slider bar, a fried food station, or taco bars. Towers of seafood, fresh-grilled tropical fruit, pasta action stations, and sushi flights are some of the fresh and made-to-order station trends. The addition of sweet snacks is experienced with a trifle creation station, a churro bar, or a toasty s'more station.

**Bold, Creative, and Nostalgic**, describe the many options for dessert stations. Unusual sizes, shapes, and unique flavors all describe cakes this year. But don't set limits there. Couples are looking for options such as mini cakes, tarts, parfaits, cheesecakes, mousse, cookies, donuts, cupcakes, and gelato displays. We offer preparation and presentation solutions for all this and more.

**Love, Joy, and Romance** perfectly describe the all-important wedding toast. We offer a variety of glassware to make each toast special.

## Secrets & Surprises

Secrets & Surprises

Surprises abound with secret cocktail menus.

**Add Interest and Style** by selecting a well-appointed signature cocktail menu. Whether the couple chooses a zero-proof cocktail, a different alcoholic beverage for each course, a signature drink that is significant to the couple's story, or opt to add a touch of intrigue with a secret cocktail menu, unique glasses are sure to spark interest at the event.

# Setting the Mood

Signature Touches

Eastern Tabletop has elevated the modern buffet event to improve the experience for the customers and staff. Featured here are the Zozz Buffet Bar, the Hub Buffet System and the Q-BIK Buffet System. Together, these three display systems present an elegant, united front for any special event.

## Zozz Buffet Bar Kit

The sleek, contemporary design of this bar kit will fit in seamlessly with any event. The new white wash finish is an elegant and clean look that will elevate any decor. The durable, stainless steel design is great for indoor or outdoor use. Assembly is quick and easy and happens in minutes.

## The Hub Buffet System

The Hub system is the ultimate in versatility. Choose the function that works best for your event: plain tiles, ice bins, butcher blocks, induction tiles, and countless other possibilities. Choose the style of panels to coordinate with your decor. The collapsible design features quick and easy assembly.

## Q-BIK Buffet System

The Q-BIK system stands tall alongside The Hub and the Zozz, as it seamlessly integrates into the Eastern Tabletop's dynamic collapsible buffet family. The Q-BIK is the ultimate solution for both indoor and outdoor versatility. This system extends from a singular display to a full buffet in mere minutes. The shelving display units are available in 4 or 5 tiers and attach seamlessly with the shelf connectors. The same panels that work for Zozz and the Hub also work for Q-BIK with many colors to choose from.

## Cantine Display Carts

Mogogo Buffet Carts has created a new version of the archetype iconic market cart. These carts have existed for centuries for goods transportation and for merchandise displaying at markets around the world. Mogogo revives this concept, by updating the design and materials while respecting the past. Bent bamboo beams are the core of the Cantine Cart, giving the construction strength in a streamlined style. The light-weight bamboo structure is durable and with additional decorative metal elements, it creates a fine tension between a traditional look and advanced design.
