

ORKIN® AIRSPA™ SCENT SERVICE

The Best in Pests™

When an environment has a pleasant scent, people are more likely to have a positive experience and remember it more vividly. Scent is the most powerful of our five senses, making it either the biggest asset or biggest threat to your business. This is why Orkin® offers AirSpa™ Scent Service.

AirSpa

- ◆ Enhances your customer's experience through scent for a more engaging and memorable experience.
- ◆ Distinguishes and reinforces your brand with an AirSpa scent of your choice that matches your company's brand personality while differentiating yourself from competitors.
- ◆ Three sizes available to accommodate your business' specific needs.

Scent Options for Your Business:

- ◆ Apple
- ◆ Conifer & Laurel
- ◆ Crushed Lime Mint
- ◆ Green Tea & Thyme
- ◆ Matcha Tea
- ◆ Sunny Citrus
- ◆ White Tea & Ginger

Orkin's Approach:

Inspection. Evaluation of your business for odor issues.

Consultation. Provide you with a customized scent service plan and establish our recommendations, such as size of unit and optimal location placement.

Installation. Your Orkin Pro™ will install the diffuser in one of two ways: wall mounting the unit or connecting the unit inline to your HVAC system.

Maintenance. Your Orkin Pro will regularly check on your diffuser and replace scent cartridges when necessary.

Leave a lasting impression with AirSpa Scent Service.
