# Ecolab First Aid

## *Convenience, Compliance, and Control*

The Ecolab CarePod™ System is designed specifically for the foodservice industry. It includes modular cabinets with both open-access and lockable storage options. User-friendly packaging clearly identifies required products, helping users locate, identify, and use products correctly. Finally, the Ecolab CarePod System includes simple and convenient resources to help you manage your first aid inventory.

### First Aid Solution Highlights:

- Innovative cabinet design with modular storage options
- Easy-to-understand product packaging
- Lockable cabinet option for secure product storage
- Optional biohazard spill kit module

# CarePOD™

A part of every great kitchen

According to the ANSI/ISEA\* standard, every restaurant is required to have a first aid kit easily accessible. Ecolab's First Aid System helps users render first aid quickly while helping managers stay in compliance more easily.

## Free freight for refill orders of \$50 or more.

\*Freight charges are automatically dropped at the time of order. No promotional codes or other special processing is required as long as the required conditions are met.

### REQUIRED CONDITIONS:

No freight charges for orders of CarePod refill orders that meet the following conditions:

- The order must total \$50 or more, excluding tax.
- Kits and cabinets are not eligible for free shipment
- The order can only include the refill items specific to CarePod. This includes all CarePod First Aid refill items and CarePod Biohazard Spill Kit refill items
- The addition of any non-first aid items to the order will cause the entire shipment to be subject to typical freight charges
- The free freight offer is for ground shipping within the Continental US (48 states) only
